

Your Home Inspection Team

FOCUSED ON CONVENIENCE

You are able to easily schedule your inspections with a phone call, or anytime 24/7 through our website or via our phone app. We have a full staff of seven inspectors for more timely inspections.

WE KNOW HOUSES

We only hire inspectors with construction experience who understand how the systems of the house work together. This allows us to report on issues with perspective – in a friendly and calm manner.

LOCALLY OWNED & OPERATED

We are a locally owned company and therefore, able to customize our service to your unique needs.

ASHI CERTIFIED

We require all our inspectors to become certified with the American Society of Home Inspectors (ASHI).
