

Home Warranty Protection.

Because you can't
bubble wrap everything.

Coverage for the unexpected. Breakdowns happen in every home. That's why your clients' budgets need the protection of the company that founded home warranty plans. We provide coverage against the costs of unexpected repairs and replacements of covered appliances and home system components.

No matter which plan your clients choose, they will experience the same quality coverage,* including:

- Failure due to lack of maintenance
- Rust, corrosion and sediment
- Mismatched systems
- Undetectable pre-existing conditions
- Improper installations, repairs or modifications
- Refrigerant recapture
- Reclaim and disposal
- Removal of defective equipment
- Permits and code violations (up to \$250)
- No home inspection is required in order for AHS to issue a home warranty contract.
