A preapproval is based on our preliminary review of credit information only and is not a commitment to lend. When applicable, we will be able to offer a loan commitment upon verification of all application information, satisfying all underwriting requirements and conditions, and providing an acceptable property, appraisal, and title report. Preapprovals are subject to change or cancellation if a requested loan no longer meets applicable regulatory requirements, there are changes in your credit report and/or credit score or your current financial status or application information changes or cannot be verified. Preapprovals are not available on all products. See a mortgage loan officer for details. This information is accurate as of date of printing and is subject to change without notice.
